Traffic Concerns

Please contact CNA with traffic concerns. Council is thinking about changing our roads, etc.

CNA Website

AT&T has blocked the CNA website; no one knows why. We are trying to get it fixed.

CNA Meeting Schedule

2nd Monday of every month is the general CNA meeting; EC meeting is 3rd Tuesday of every month.

Member Concerns

Member would like a CNA archivist/historian established to keep track of records detailing CNA's and Crestview's history. There are many records that are not digital, which someone needs to hold on behalf of CNA.

Board will look into scanning documents and putting them on the website.

CNA Meeting adjourned.
